

Collective Worship

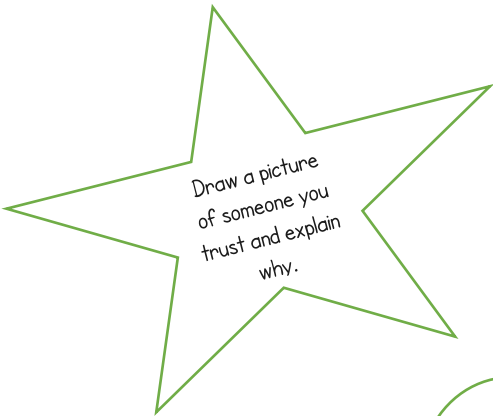

Autumn 1 - 2025

Our theme for this half term is: Trust

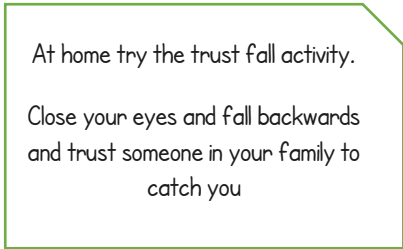

"My God is my strength in whom I trust" Psalm 18.2

Over the next half term we will be focussing our Collective Worship under the theme of Trust. In our lives we have to trust a lot of people and a lot of things so it is important that our children understand what trust is, why is important and how it is used

"When I am afraid, I put my trust in you" Psalms 56:3

Draw a picture of someone you trust and explain why.

At home try the trust fall activity.

Close your eyes and fall backwards and trust someone in your family to catch you

Can you explain why you are trustworthy to someone?

It would be fantastic if you could do Jo Mrs Williams their responses to the above questions and activities.

Thank you 😊
