

Projects on Plastic Pollution!

This half-term, Class 3 have been exploring the important issue of plastic pollution in our oceans, and the results have been truly inspiring! The children have produced a fantastic range of creative work, including PowerPoint presentations, models made entirely from recyclable materials, and informative leaflets about how we can protect our environment.

We are so proud of the effort, creativity, and enthusiasm shown by every pupil—well done, Class 3! Don't forget to visit our Class Page on the school website to view the amazing PowerPoint presentations.

Staffing Changes

Farewell and New Beginnings

At the end of this term, we will be saying goodbye to Miss Quinn as she moves on to pastures new. We would like to thank her for her dedication and hard work during her time at Hulland School — she has made a wonderful contribution and we wish her every success in the future. After Christmas, we are delighted to welcome Ms Gregory, who will be teaching in Class 2 from Monday to Thursday, with Mrs Shaw teaching on Fridays. We look forward to an exciting new term ahead!
