

As this half-term draws to a close, we look forward to the brighter days of spring and the exciting opportunities that summer will bring for our school community.

Sports Competitions

Pupils from Years 3/4 and Years 5/6 represented the school brilliantly at the Sportshall Athletics event at QEGS. They showed great sportsmanship throughout the day, enthusiastically cheering on other schools and supporting one another. Their teamwork and positive attitude were a real credit to the school.

We were especially proud of the achievements in the Year 3/4 events. One pupil secured first place overall in the 5 Stride competition, while another achieved an outstanding 1m 80cm in the Standing Long Jump. These fantastic results capped off a wonderful day of effort and enthusiasm from all involved.

Music Performance

Class 2 put on a wonderful music concert, sharing a mix of singing and flute performances that truly impressed the audience. Their confidence, hard work and enjoyment shone through in every piece. It was a joy to see them performing with such enthusiasm. Well done, Class 2 — you were fantastic!

Shrovetide Football

We were extremely fortunate to welcome two Up'Ards who have each won a Shrovetide ball. They spoke to the children about the history and excitement of the Shrovetide game and answered lots of thoughtful questions. The highlight of the visit was when they generously allowed every child to hold the ball they had brought with them—an experience the pupils won't forget!

Safer Internet Day

On Tuesday 10th February, the whole school took part in Safer Internet Day. Each class joined a live online lesson, learning about how to stay safe, make sensible choices and use the internet responsibly. The children were engaged throughout and took part in discussions and activities designed to help them become confident and respectful digital citizens. Following the lesson, the classes also designed their own chatbots.

Eco Committee

Our Eco-Committee will lead a special assembly on Tuesday 3rd March for World Wildlife Day, a global event celebrating the connection between wildlife, people and the planet. We're excited that Eco Club will be sharing this important message with the school.

School Council

Our School Council has had a busy term researching all things playground! They've gathered ideas from every class about the equipment children would most like at break and lunchtime, and have now chosen items that will be arriving soon—huge thanks to our PTFA for funding these. They are also supporting the wider community by collecting pupils' views on how the Hulland park could be improved, feeding children's ideas into the committee as plans take shape. Alongside this, the Council has launched a drawing competition to create new staff portraits for our school website. Entries are open until after half-term, when the winning designs will be selected—so don't forget to take part!
