

Welcome back...

A very warm welcome back to all of our children, families and staff as we begin another exciting year at Hulland CofE Primary School.

It has been wonderful to see the children return with such enthusiasm and positivity. We are especially delighted to welcome our new nursery children and families as we begin this exciting new chapter for our school.

Exciting New Nursery Provision at Hulland CofE Primary School

This September, we are delighted to welcome our first nursery children to Hulland CofE Primary School. Our new nursery extends the school's age range to include children from age two, creating a seamless Early Years journey from nursery through to the end of primary school.

Building on the strong foundations of Hulland Community Pre-School, the nursery provides a warm, nurturing and stimulating environment where children can learn through play, exploration and discovery. We are pleased that children continue to benefit from familiar surroundings and trusted relationships as they begin this exciting stage of their education. Over the summer, the nursery environment has been refreshed with new resources and carefully planned learning opportunities to inspire curiosity, creativity and confidence. Our dedicated Early Years team is committed to ensuring every child feels safe, valued and supported to reach their full potential.

This exciting development strengthens our partnership with families from the very beginning of their child's educational journey and reflects our commitment to providing the very best start in life. We look forward to watching our youngest learners grow, flourish and thrive as part of the Hulland family.

*Friendship empowers us,
Respect grounds us,
Creativity shapes us!*

Stay Up to Date!

Our online calendar, available on the school website, includes all key dates for the year ahead. We'll also continue to share reminders and additional information via ClassDojo, so please keep an eye out for updates there too.
